6 November 1979

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

VIA : Director, National Foreign Assessment Center

FROM : Coordinator for Academic Relations, NFAC

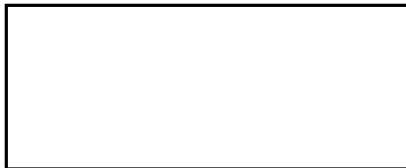

SUBJECT : Discussion/Dinner Proposal for December, "The
Stability of Egypt at Peace?"

1. Action Requested: Approval of the above subject for our next discussion/dinner. The date, Thursday, 13 December, has been set aside on your calendar for this purpose.

2. Background: Bob Ames suggests that this is an appropriate time to consider the effects peace is having on Egyptian stability. The discussion/dinner would coincide with work on the IIM of Egypt's political stability. Our discussion would also look into the effects of a prolonged peace on the Egyptian economy and on the Egyptian military.

3. Ames suggests that as our outside specialists we invite former Ambassador to Egypt, Herman Eilts, who is now on the faculty of Boston University, Professor Richard Mitchell of the University of Michigan, who has been studying the religious right in Egypt (from where he recently returned), and Bill Quandt of The Brookings Institution.

4. Recommendation: That you approve the subject and date proposed above for the next scheduled DCI discussion/dinner so that planning may proceed.
